

LOADER & DOZER TYRES : BIAS

Y-67E

**L-4
ROCK
DEEP TREAD**

Suitable for loaders and dozers on rock, coal, and log-strewn terrain. Deep tread has good wear and cut resistance.

Use: Loaders & Dozers

TYRE SIZE	T/T	T/L
*17.5-25		12, 16, 20
*29.5-29		28

Y-545

with side protector

**L-4
ROCK
DEEP TREAD**

Suited for loaders and dozers on rock, coal, and log-strewn terrain. Deep tread has good wear and cut resistance.

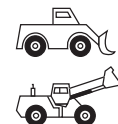

Use: Loaders & Dozers

TYRE SIZE	T/T	T/L
23.5-25		16, 20, 24
*26.5-25		20, 24, 32
*29.5-25		22, 28
**35/65-33		24, 30, 36, 42
**45/65-45		50, 58

Y-524

with side protector

**L-5
ROCK
EXTRA DEEP TREAD**

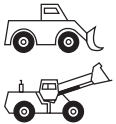

Specially designed for loaders and dozers. Extra deep tread and side protector improve shoulder and sidewall resistance to cuts and wear.

Use: Loaders & Dozers

TYRE SIZE	T/T	T/L
20.5-25		12, 16, 20
*26.5-25		20, 24, 28, 32
*29.5-25		22, 28
**35/65-33		24, 30, 36, 42, 48
**40/65-39		30, 36, 56
**45/65-45		38, 46, 50, 58

Y-524

**L-5
ROCK
EXTRA DEEP TREAD**

Specially designed for loaders and dozers in highly abrasive conditions. Extra deep tread has strong resistance to cuts and wear.

Use: Loaders & Dozers

TYRE SIZE	T/T	T/L
23.5-25		16, 20, 24
*29.5-29		28, 34

Y-524Z

**L-5
HALF SLICK
EXTRA
DEEP TREAD**

Specially designed half slick asymmetric tread pattern provides superior tread and sidewall cut resistance, resulting in better tyre life.

Use: Loaders & Dozers

TYRE SIZE	T/T	T/L
**35/65-33		24, 30, 36, 42
**40/65-39		30, 36
**45/65-45		38, 46, 50, 58
